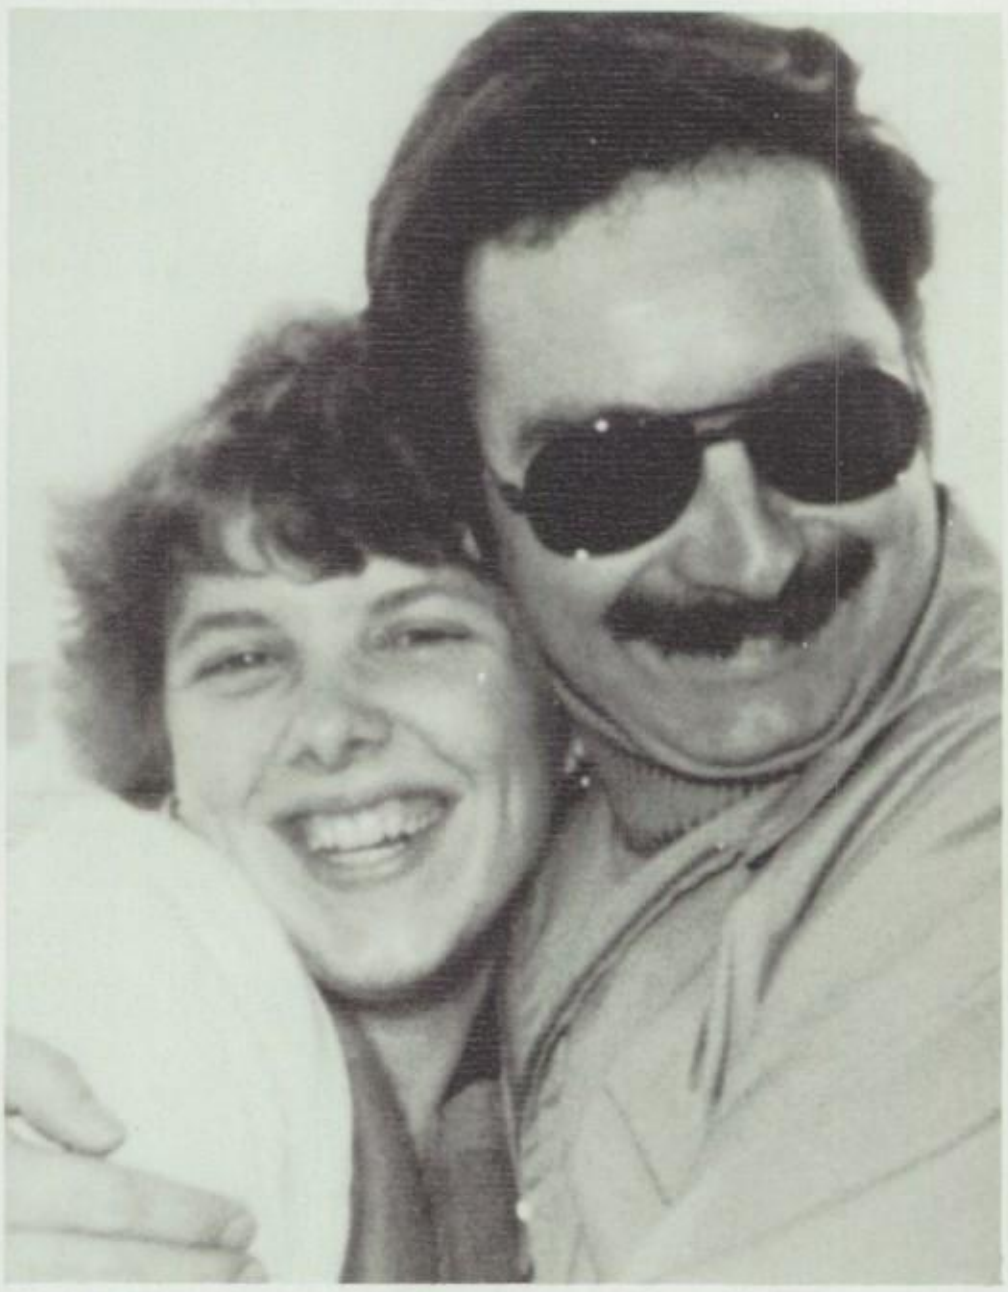
ENGLAND

1979



Queensbury High School students had the opportunity in the spring of 1979 to participate in a student exchange program with the Mayflower School in Billericay, England. The program, arranged by Mr. James Coccia, permitted 34 Queensbury students to experience living with English families. They attended school, visited Stratford-on-Avon, saw Warwick Castle, and toured London.

In late May, the host students from England flew in a "727" to New York for a ten-day stay. While here, they visited Queensbury High School, Lake Placid, Albany, Lake George, Niagara Falls, and New York City.

Both student groups had the opportunity to exchange their views on life styles, living conditions, and myths about the different cultures. They also created strong friendships with those abroad to be remembered for many years to come.

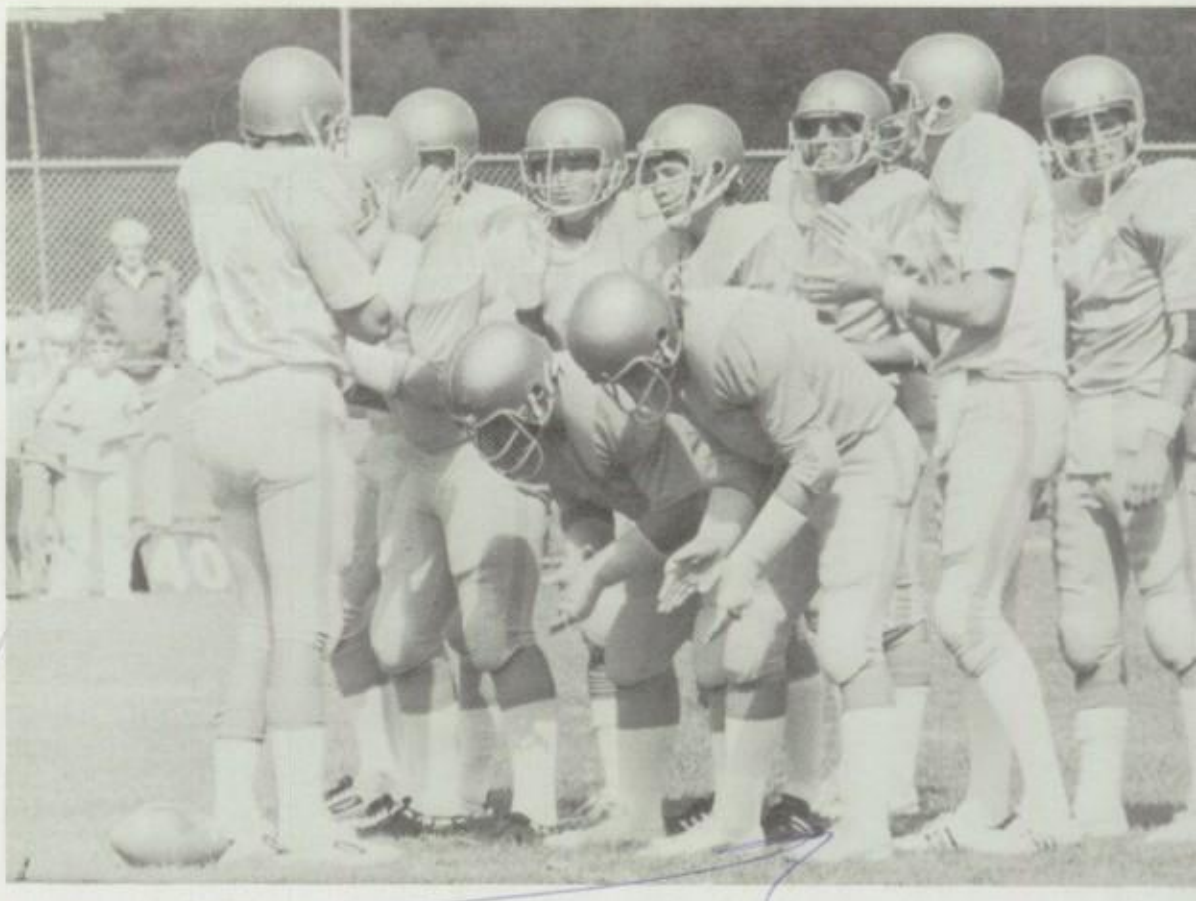
FOOTBALL



The Queensbury Tabernacle Choir?

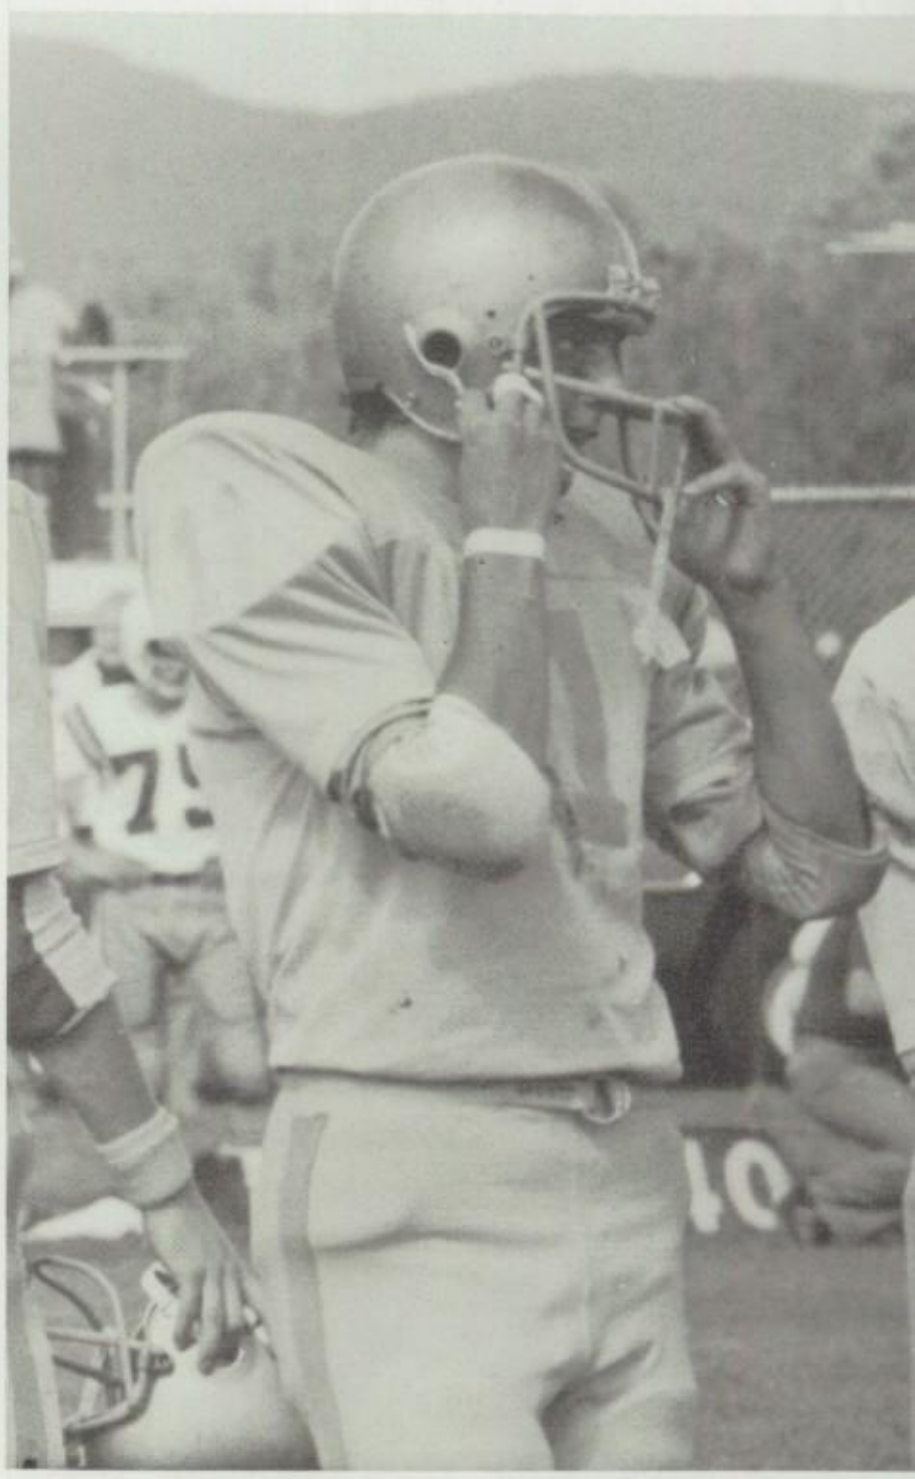
"You guys ready down there?"

The 1979 Queensbury Football Team captured its first Foothills Council Championship ever with an impressive 5-0-1 record.

It was a dream come true for the seniors, most of whom have been working toward this goal since junior high. The Spartan gridiron season was highlighted by an overwhelming victory over South Glens Falls on Homecoming Day, leading to the Foothills crown and the 16th spot in the state rankings.

With the success of the past two football seasons at Queensbury High School, an exciting new school spirit has begun and developed a Queensbury Football tradition.

Next year will be a rebuilding year, but with past success on the Junior Varsity level, this year's juniors are capable of continuing our championship form.



"Where did you say the water was?"
